

## **Covid 19 Update 19/06/2020**

### **This update is for Lodge, Static Caravan and Touring Caravan owners**

In today's update from the Welsh First Minister Mark Drakeford, we have received significant and positive news that if things go as predicted we will be able to welcome you back starting from the **13th of July, pending a review by the Welsh Government on the 9th of July**. Please note: we will be opening for **owners only** from the 13th July.

We can't wait to welcome you back but please do not come down until the above date, you will not be admitted on to the park until the 13th of July, so please do not travel down until then as this may add to the risk of delaying reopening.

I urge you all to use the following link if you wish to gain further information directly from the Welsh Government Website:

Please accept our apologies for the delay in us announcing this update, we have had a lot of legislation to go through.

**We will shortly be making an announcement on Holiday Accommodation/Camping and Touring Caravans.**
